Face to Face: Our Strategy for 2021

Our goal is to be re-engaged in on-campus ministry by the end of 2021 at 110% of our 2019 levels. To succeed at this goal, we each have four roles to fulfill:

Commit to Participating on campus

Reach out to those who have been disconnected and to new people

Serve on a ministry team

Pray for God to transform lives

Today is the last Sunday for **Donnie Stribble**, our Minister of Worship, who is retiring after 17 years of service at Shiloh Terrace Baptist Church. If you would like to write a note of encouragement or share a fond memory, there are cards available at the Information Desk that you can fill out and return to the Information Desk. Thank you, Donnie, and we hope you enjoy your retirement!
