**Face to Face: Our Strategy for 2021**

Our goal is to be re-engaged in on-campus ministry by the end of 2021 at 110% of our 2019 levels. To succeed at this goal, we each have four roles to fulfill:

Commit to participating on campus

Reach out to those who have been disconnected and to new people

Serve on a ministry team

Pray for God to transform lives

"When You Refuse God's Grace" // Jonah 1:11-16// August 22, 2021

Dr. Quentin Self, Senior Pastor

When you refuse grace for \_\_\_\_\_, you refuse grace for \_\_\_\_\_.

When you refuse grace, you endanger \_\_\_\_\_ around \_\_\_\_\_.

When you refuse grace, you find yourself opposing \_\_\_\_\_.

When you refuse grace, God may still use \_\_\_\_\_ even if you choose to be \_\_\_\_\_ about it.

When you refuse grace, it's because you fail to recognize God's \_\_\_\_\_ for sinners like \_\_\_\_\_.

God's \_\_\_\_\_ is greater than all our sin.
