

**God Questions**  
**Part 5: What Will Heaven Be Like?**  
Revelation 21:1–22:5

- **A new heaven/earth:** or a new heaven on a new earth with a new capital city called the New Jerusalem (1,400 miles in length, width and height).
- **The river of life:** flowing from God’s throne down the middle of the street (like San Antonio river walk?).
- **The tree of life** (also see Ezek. 47:12): always fruitful with leaves to heal fractured relationships.
- **The countryside** (Heb. 11:14-16): with spacious outdoors and landscapes as impressive as the city’s.
- **The mountains:** John was carried to “a mountain great and high” to view the city (Rev. 21:10).
- **The oceans:** while there is “no more sea,” there may be oceans with fresh water.
- **A personal experience with God:** because “God’s dwelling place is now among the people,” and He will personally wipe away our tears.
- **New resurrection bodies** (see also 1 Cor. 15:40-44; Philippians 3:21; ): that can eat and drink, without needing to eat and drink, and can pass through walls!
- **A personalized home** (John 14:2): built just for you to maintain privacy while enjoying community.
- **Animals** (Isaiah 11:6-8): are pictured in heaven, so maybe pets, too???
- **No marriage in heaven** (Matt. 22:30): but you will always be the best of friends!
- **Work, learning, responsibilities:** because we are continually on a journey of growth.
- **A far better country** (Heb. 11:13-16): that we should be longing for as **strangers** on earth.
